Dear Mrs. Kuenzi:

Thank you for your kind letter of January 28,
and for your gracious invitation to Mrs. Sigg and me
to visit the Pittsburgh Swiss community.

It is certainly my desire to become acquainted
with the officers and members of all the Swiss Societies
within my consular district, to know their problems and
see to what extent the Consulate general can be of as-
sistance.

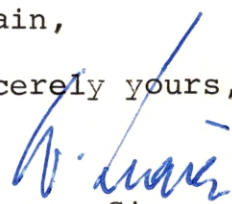

Originally, I had planned to combine my visit
to Pittsburgh with some special event of compatriots of
that area. As there seems to be no such occasion in the
near future, I propose, according to your suggestion, to
arrange a visit some time in May.

May I please ask you to ascertain with your
members if that period of time would be convenient and,
if yes, which day as well as their suggestions for a
program with the Swiss community and perhaps an itinerary
for a tour in Pittsburgh in general.

As soon as I have your reply, I shall be able
to let you know my own views, and whether my calendar
can be cleared for the day you select.

Dear Mrs. Kuenzi:

Thank you for your kind letter of March 29 with regard to my forthcoming visit to Pittsburgh on June first.

I plan to fly to Pittsburgh on Thursday evening, May 30, so that on Friday, May 31, and Saturday, June 1, I shall have sufficient time for official visits and for the program the Swiss-American Society is scheduling.

While I look forward with pleasure to meeting the officers and members of your Society and to become acquainted at firsthand with the problems and plans of that organization, it is also my desire that all compatriots in the Pittsburgh area be accorded the opportunity to join the gathering if they wish. Probably, I shall not often have the occasion to visit Pittsburgh which comes within the jurisdiction of the Consulate General in New York, and for that reason, I should appreciate all the more greeting as many Swiss as possible who live there. Accordingly, I should appreciate it if these other compatriots could be included in that event. It would give them also a chance to get to know the Swiss-American Society and some of them might even be interested in becoming a member.

As most of these Swiss are registered at this Consulate General, but our regulations do not permit giving out their names and addresses to a third person, we should have to send out the invitations to these who are not members of the Swiss-American Society from here. Accordingly, I should deem it a favor if you would let me have some of your invitations (the number needed will be indicated to you later) so that these may be addressed

and mailed directly from this representation. As our addresses are listed according to zip codes, I should appreciate it if you would let me have a list of towns, suburbs or areas in and around Pittsburgh where other Swiss citizens live. In this way, the task of compiling the names and addresses of those to whom invitations should be sent will be very much facilitated. Furthermore I would need a list with the names of the members of your Society.

Professor Hofmann has graciously offered to help organize my program in Pittsburgh, and I am sure he has been in contact with you.

With my best wishes and kindest regards, I am,

Sincerely yours,

Werner Sigg

Dear Klaus:

As fate would have it, your letter arrived the day of our board meeting, making it too late for an invitation.

It was decided by the board to request that you and Frances be seated at the head table and introduced as Honorary Consul General at our annual Christmas Party on December 7, 1974. Perhaps at that time you could take a few minutes to acquaint the assembly with your duties and the services offered by your office.

Allow me at this time to offer my congratulations for receiving this much deserved Honor and Position. I know the office will be handled with dignity and efficiency. Our organization will cooperate and assist you in any way we are able.

Sincerely,

Robert H. Leuenberger

Dear Fellow Swiss:

This is to inform you that we have just recently started a little Swiss operation in northern Vermont. We run a small country inn where you will not only find Swiss food, but also Swiss hospitality, not to mention that you really are in beautiful surroundings that will remind you a little bit of Switzerland.

Even though we essentially cater to skiers and summer tourists, we are open all year and if any of your members should venture into northern Vermont for skiing, vacationing, or sightseeing, we would love to have you stop by L'Auberge "Chez Moustache".

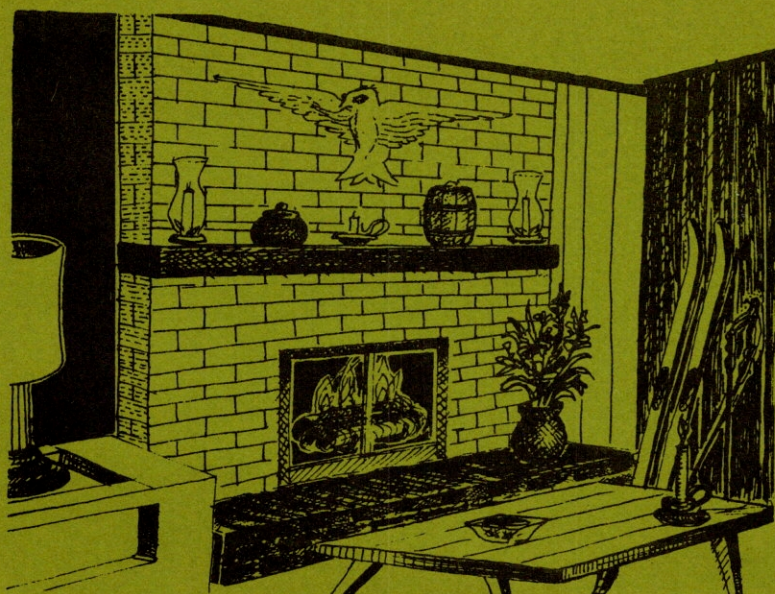

We look forward to seeing some of you here so that we can have a chance to serve you. We accommodate about 40 people and we have special rates for groups....and if you are Swiss, who knows what other fringe benefits you might find! A little schnapps is always on hand to warm up the Swiss!

We wish your organization "Frd'liche Weihnachten und es Guets Neus Jahr!"

Mit freundlichen Grüssen,

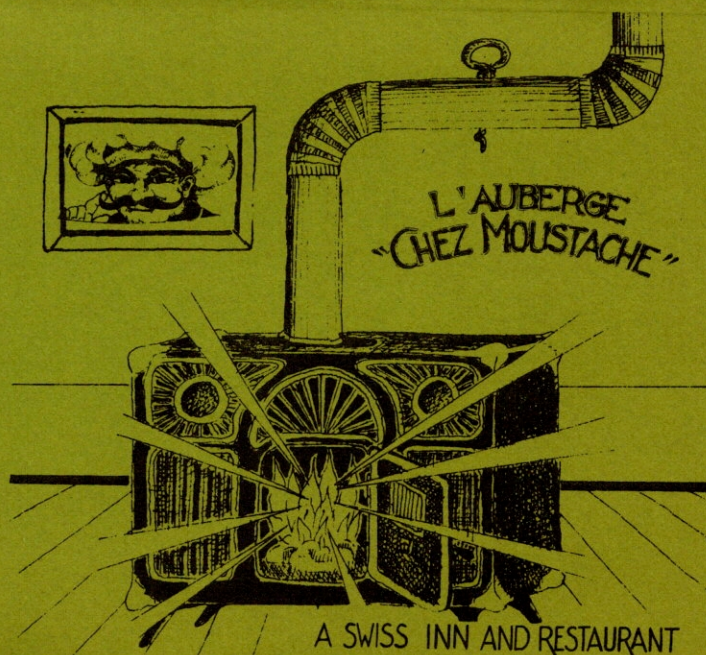

Barbara Thonke
