MAILING ADDRESS:

Ethnic Committee
509 Plaza Building
Pittsburgh, Pa. 15219
(412) 391-5540

Dear Ethnic:

Please read all of the material completely and carefully.

As you know by now, we have been attempting to convene all ethnic/nationality groups, in and around the County of Allegheny, to participate in the forthcoming Bicentennial Celebration.

We have solicited help from every known source -- to get names and addresses of all groups. We have been sending notices of meetings to each person on our list, and to others, as soon as we learn of them.

Our attendance has been good and increasing, but there are still many groups we have not heard from.

DECISION TIME

Since we can not wait any longer, at our last meeting, we made the following decision and set the following time table:

1. All questionnaires must be filled out and returned.
2. All parties interested in serving on committees must have submitted the name and address of that party and some background information on their experience.
3. All groups must submit the name of the Coordinated group of their particular ethnic/nationality groups (ie. Polish, American Bicentennial Committee).

This must be done before - March 1, 1975.

WORDS OF CAUTION

On March 1, 1975 -- we shall begin to make appointments to Sub-committees from those names we have and those we know. So don't be left out -- ANSWER NOW!!!

ETHNIC LISTING BICENTENNIAL CULTURE COMMITTEE

We have been asked for the names of the coordinated group of all ethnic/nationality for publication in the forthcoming cultural committee for the Bicentennial "newsletter." We need information from you. If you do not supply it to us, we obviously cannot and will not be able to list your particular organization. (ie. Polish American Bicentennial Committee)

QUESTIONNAIRE

We have prepared a Questionnaire in hopes of getting necessary and vital information. Those, present at our meeting got a copy of the Questionnaire to fill out. Many did not fill them out and/or return them. Obviously, they are no help to us if we do not receive them!!!

Most parts are self explanatory but care should be exercised on the following:

COORDINATOR - who will be the one (1) person, who will coordinate the total effort of all organizations, represented by your particular ethnic/nationality group.

BICENTENNIAL NAME? What will be the name of the total, joint, combined effort of your ethnic group (ie. All Polish groups are using the name "Polish American Bicentennial Committee")

COMMITTEE PARTICIPATION - Will you or someone in your group be willing to serve on a sub-committee. If so tell us.

DEADLINE FOR QUESTIONNAIRE - March 1, 1975.

SECOND CHANCE

In order to avoid possible oversight, I am again sending -- to everyone -- a new Questionnaire form.

This must be filled out completely and returned immediately!!!

***** SPECIAL NOTE *****

ETHNIC STUDIES BILL

We have just been informed that President Ford as an alleged economic measure, is attempting to withhold funds previously appropriated under the Ethnic Studies Bill. Since the Ethnics fought so long and so hard to get this bill through, and the money, we cannot permit this to happen.

I therefore appeal to all of you to immediately write a letter, in your own words and style, objecting to the withholding of the funds, and obviously demanding that they be released as Congress had intended.

Kindly write to the following:

To the Swiss clubs, to the Embassy
and Consulates of Switzerland in
the USA

Dear Fellow-citizens,

Following an old tradition, our Secretariat has decided to organize a film-show for the Swiss communities in the United States. Either of the two following films may be chosen:

- Terra Ladina, 70 minutes, in color, German text, optical sound. This film gives a close picture of life in the Engadine and the beauties of its mountains, lakes, castles and villages.
- La Suisse, a film made by Jacques Thévoz, 80 minutes, in color, with a commentary in our four national languages; magnetic sound. To create this film Jacques Thévoz travelled through Switzerland with his camera and his tape recorder. He asked the Swiss some fifty questions and registered their answers in their different dialects. Jacques Thévoz thus presents the Swiss problems seen by the Swiss themselves, avoiding any personal commentary. The result is a very vivid picture of Swiss customs and Swiss people with the background of Swiss landscapes.

We draw your attention to the fact that this film has magnetic sound and that your projector must therefore be specially equipped.

As both films are rather long (70 and 80 minutes), we ask you to choose only one of them.

The Swiss Embassy will be kind enough to organise the circulation of the movies in cooperation with the Consulates. If your Club is interested in our movies, we ask you to contact your Consulate immediatly in order to reserve a day for the showing of one of the two movies. Please send us a copy of your order.

We remind you that our Office pays for the films to be flown from Switzerland to the country of destination, but the Swiss Clubs must pay for the films to be sent from one Club to another and back to Switzerland.

We wish you much fun with our films and are glad to be at your service anytime. With best regards from Switzerland, we remain

Very sincerely yours

Dear Member

There will be a Board Meeting of The Swiss American Society of Pittsburgh on Friday March 21, 1975 at 8:00 P.M. at the home of Trudy Kuenzi, 207 Churchill Road - Wilkins Twp. Turtle Creek, Pa.

On the agenda will be our taking part in a Bi-Centennial Celebration May 30th and tentative plans for our Swiss-Independence Day Celebration in Canton, Ohio.

Please plan to attend.

Sincerely

Trudy Kuenzi
Secretary

March 21, 1975

President Robert Leuenberger called the first Board Meeting for 1975 to order of the Swiss American Society of Pittsburgh. It was held at the home of Trudy Kuenzi. Robert Leuenberger, Trudy Kuenzi Gloria Sutter Anna Brown and Dr. Klaus Hofmann were present.

The minutes of the October Board Meeting were read & approved & the December Dinner Meeting minutes were dispensed with. ^{Correspondence was read.} The ~~October Board Meeting minutes~~ The Treasurer reported a balance of \$2867.88. The dinner meeting report was as follows: Expenses \$985.15

Reservations 884.00
Cost to the Club \$101.15

Mr. Henzie's birthday was brought to our attention. He will be 100 years old May 3, 1975. Due to his age the family wishes to have open house for visitors to drop in on his birthday. We will buy a gift & some of us will bring it to him. He likes Cognac so we will probably give him this.

The Swiss Independence Day Picnic will be August 3, 1975 in Canton, Ohio. Prices were quoted by Trudy Kuenzi from Lincoln Coach Bus Co & it was agreed to reserve a bus at this time. A letter in detail will be sent the end of June for reservations to members. It was agreed we would charge \$5.00 per person for Bus trip and Admission. Other expenses - dinner food & drinks are on your own. Children under 18 free.

Forms were received if we were interested in joining

the Ethnic nationality groups. It was decided that we are unable to take part in this as nobody can give it the time it takes to get involved.

Dr. Klaus Hofmann informed us of a program to be presented June 13, 1975 in co-ordination of the Bi-Centennial Celebration to honor Col. Bouquet's memory at Point Park. Ambassador Felix Schnyder has been invited to this celebration. If he is able to stay over 'til Saturday June 14, 1975 a luncheon will be given by our Society in his honor. A letter will be written by the Secretary under the direction of Dr. Hofmann and extend Ambassador Schnyder our invitation.

The ^{Swiss} Independence Day Badges will be ordered as before & sold to members.

Gloria Sutter made a motion to adjourn the meeting - Seconded by Anna Brown. Motion carried & meeting was adjourned.

Respectfully Submitted

An inclusion of a black and white photograph related to your news would also be most welcome and would enable us to animate the pages of the Review even more.

Chère Madame,

L'Ambassadeur Schnyder et moi-même vous adressons nos plus vifs remerciements pour votre lettre du 27 mars 1975 par laquelle vous nous invitez à un luncheon le samedi 14 juin 1975.

Malheureusement l'Ambassadeur Schnyder, retenu à Washington, ne pourra pas se rendre à Pittsburgh. Je ne sais pas, dans ces conditions, si la Swiss-American Society of Pittsburgh sera disposée à maintenir ce "luncheon reception" prévu pour le samedi 14 juin en l'honneur de l'Ambassadeur.

Le Dr. Hofmann, Consul Honoraire à Pittsburgh, a eu l'amabilité de bien vouloir coordonner les détails de notre voyage et je vous serais très reconnaissant de voir avec lui la suite à donner à cette affaire.

De notre côté, nous serions évidemment très heureux, ma femme et moi-même, de faire connaissance avec les Suisses de Pittsburgh.

J'attends donc de vos nouvelles et d'ici là, vous adresse mes plus vifs remerciements et vous prie d'agréer, Madame, l'assurance de ma considération distinguée.

Dear Dr. Hofmann,

Would you kindly call the attention of the members of the Swiss colony of Pittsburgh to the radio program I have initiated over Station WYEP-91.5-FM.

Please convey the following :

I want 'Swiss Cheers' to be an expression from all of us. It is not necessarily a program for the Swiss. But it is rather a program by the Swiss, through the Swiss, for all of us. The format and the contents will be what the Pittsburgh Swiss make of it, and I will assist them as best I can. Not only do I welcome them and their Swiss visitors at the studio, but I want to encourage their involvement. I, personally, have not the means to carry the program alone, with my voice alone, with my music alone, with my documents alone. I do need the resources of my compatriots. Resources and materials they can make available to me. Ideally, I wish to greet them at broadcast time, presenting music of their choice, or an author, or personal comments or experience. I like to say that 'Swiss Cheers' opens a window for expressing ourselves. 'Swiss  Cheers' is an opportunity to re-create the spirit that we carry inside of us. --- Take a deep breath of Swiss air. --- Cheers!

For the purpose of promotion, I enclose reminder cards which you might distribute to the Swiss on your register for themselves and their friends. Thus, they may contact me if they so desire. I thank you in advance for any help you can offer in spreading the news.

Sincerely,

Marcel Kopp

Dear Compatriots:

I am enclosing a xerox copy of a letter I received from Dr. Marcell Kopp which is selfexplanatory. Dr. Kopp one of our Swiss Compatriots wishes that "Swiss Cheers" would develop to the point of fostering Swiss cultural activities in Pittsburgh, not only for the Swiss themselves, but also with the goal of kindling the sensitivity of our American friends to the Swiss heritage.

For promoting and developing the Program "Swiss Cheers" Dr. Kopp needs all the support you can give him. Financial help will be necessary if the program is to foster Swiss cultural activities.

Please give Dr. Kopp a helping hand in support of this very worthwhile endeavor.

Dear Bob,

I am assuming that traditionally the Swiss-American Society of Pittsburgh will get together around Christmas for the usual dinner party. Even though this is very early I would like to make a suggestion for this year's program. -

As you know the Fort Pitt Museum Associates have initiated their Bicentennial Celebrations with a recognition of the Swiss Colonel Bouquet. For this occasion a special short film was produced and was shown to the guests at the reception. The film deals with the time of the French and Indian wars and in particular with the events around Fort Pitt. I was privileged to see the movie and found it to be very good. This film can be obtained from Fort Pitt Museum Associates, and I wonder if it might not be a good idea to show this movie during the Christmas party. All we would need is a sound movie projector and a screen and someone who knows how to operate such equipment. You may want to discuss this with your Board at a forthcoming meeting.

With my very best regards I remain

Cordially yours,

Klaus Hofmann

RE: Information of
the Swiss Abroad

Dear Mr. President:

I wish to inform you that the special October issue of the "Swiss American Review" will be published on the 22nd of October.

I am particularly thankful for the numerous articles and texts of the Swiss Societies of this consular district. Unfortunately hardly any photographs were received, which is regrettable as these would have complemented the articles very nicely.

As the last special edition of the year will be published in early December, I would be very grateful if you could send me an article running from 20 to 30 type-written lines with possibly a photograph or two in black white (preferably positiv prints of 4x4" minimum) by November 15th at the latest.

Thanking you for your cooperation, I remain

Very truly yours,

Dear Trudy,

I am enclosing a list of films that are available through the Swiss Film Center. An order form is attached. This will give the Board the opportunity to order the film of their choice.

I have written to the Fort Pitt Museum Associates regarding the film "Fort Pitt - Point of Decision" and will let you know as soon as possible whether it will be available on December 6. I hope that the film will be 16 mm like the ones available from New York so that the same equipment can be used for the showing. You will need a screen and sound movie equipment.

If you have any questions please contact me. I shall be out of town on November 10 and 11.

| <u>Title</u> | <u>Minutes</u> | <u>Subject</u> |
|--------------------------------|----------------|--|

| <u>FOOD FILMS</u> | | |

| NON-COLLAPSIBLE CHEESE SOUFFLE | 27 | (Black and white) Julia Child shows how to make a cheese souffle which will not fall, using grated Swiss cheese, of course. From beginning to end: the implements, ingredients, measurements, methods, baking and serving a souffle. |
| TOBLER CHOCOLATE DOCUMENTARY | 21 | Tobler Swiss Chocolate ranks among the finest in the world, and you'll see why. Cleanliness is the supreme law in the Tobler plant, and they use rich Alpine milk and import the finest cocoa beans from Africa and Central America. The fat content of the milk is measured, the milk is reduced to a powder, the cocoa beans are cleaned, roasted and ground into a liquid mass, raisins, sugar and nuts are added, the chocolate is shaped into bars or into candies which are individually filled, they are attractively packaged -- and the entire process is completely automated. It's mouth-watering to watch! |
| <u>ASPECTS OF SWISS CULTURE</u> | | |
| HIPPOCRATIC OATH | 15 | The relationship between doctor and patient, as illustrated by works of art. |
| *MAESTRI & MAESTRANZE - ARTISTS OF SOUTHERN SWITZERLAND - THEIR WORKS IN EUROPE | 15 | In spite of the geographical and ideological distance separating them, Rome and Moscow, Munich and Naples have something in common: many of their most prominent palaces, churches and monuments were designed and constructed by artists who hailed from different valleys of Southern Switzerland. This film shows their native villages in contrast to some of their most brilliant works between the rivers Tiber and Neva. |

Ms. Trudy Kuenzi, Secretary
Swiss-American Society of Pittsburgh
207 Churchill Road
Turtle Creek, PA 15145

Dear Ms. Kuenzi:

I want to apologize for the great inconvenience caused you by our film shipment not arriving in time for your showing on December 6. The non-arrival was not, however, caused by negligence.

There was an error in judgement by my shipping department. They had on hand one film, HAPPY PACE OF SWITZERLAND, for shipment as scheduled on November 28. This film was held, however, waiting for the second film, SWITZERLAND, which was due back here in our office from the previous user on November 28. It did not arrive here until December 5--one week late. I am going to complain to them about this but in the meantime I have instructed my shipping department never to hold any films they have on hand waiting for other films to complete a shipment. Better a partial shipment than none.

I am attaching a copy of our Emery Air Freight waybill. As you'll see, I specifically noted under "Special Instructions": "RUSH - PLEASE DELIVER NO LATER THAN NOON, SATURDAY, DECEMBER 6, 1975. THANK YOU." This package was in the hands of Emery Air Freight on Friday, December 5, at 11:25AM. They gave us no indication that there would be any problem fulfilling our special instructions. I am complaining to Emery Air Freight and asking for cancellation of the billing of \$14.92 for the shipment to you. We have not yet received back these prints either. Yet on December 9, they called to say you had refused the shipment and I asked for the return of the films. They will attempt to bill us an additional similar amount for the return shipment.

We handle about 50,000 film shipments per year, Ms. Kuenzi. We have about 10 complaints of this type per year--a very low percentage. But when you are one of the 10 I know it does not help you. However, I did want you to know what happened and that we are taking whatever steps we can to avoid such incidents in the future.

Sincerely yours,
